

REIMAGINE RESOURCES

FITNESS EQUIPMENT TECHNICIAN & INSTALLER

💰 \$20 - \$26/hr | Full-Time | Career Growth & Leadership Opportunities

Join a Skilled & Professional Team at Reimagine Resources

Reimagine Resources is a values-driven fitness resources services company offering facility consultation, gym design, installation, repair, and maintenance to commercial spaces across the US. We are looking for a **reliable, skilled repair professional** who can work independently with **limited training**, thrives in a **professional and structured environment**, and aligns with our **company values of integrity, problem-solving, and service**. We are looking for a full-time, experienced repair professional who can work independently, thrives in a small business, fast-paced professional environment, and is eager to grow within the company into leadership roles.

💡 Why This Job is More Than Just a Paycheck

At Reimagine Resources, we reward **hard work, leadership, and skill**. This isn't just a job—it's a **career path** with opportunities to earn more and advance after a year.

✅ Potential Promotions After 1 Year (Based on Performance):

- ♦ **Job Title Advances:** Higher pay & leadership responsibilities (Associate, Staff, Senior, Lead)
- ♦ **Instructor Role:** Train new technicians & earn bonuses
- ♦ **Commission Sales:** Earn extra income from equipment & service sales

🚀 If you're looking for a full-time, hands-on career with real growth opportunities, this is it!

Ideal Candidate:

- ✓ Experienced in fitness equipment repair, electrical, mechanical, or a related trade
- ✓ Able to work independently & problem-solve with minimal supervision
- ✓ Committed to professionalism, quality work, and strong customer service
- ✓ Available during business hours with flexibility for occasional travel
- ✓ Physically strong & able to lift up to 200 lbs safely
- ✓ Values-driven & fits well in a structured, professional team culture

Position Summary: As a Part-Time Fitness Equipment Installer & Technician (PT Tech), you will be responsible for:

- Repairing, troubleshooting, moving, assembling, and installing fitness equipment.
- Ensuring all equipment is safe, clean, and fully functional.
- Managing service calls & equipment diagnostics independently.
- Providing top-tier customer service at commercial and residential sites.
- Tracking & reporting service work and equipment expenses.
- Paperwork, part ordering, customer service.

This is a hands-on technical role that requires experience, problem-solving skills, and a strong work ethic.

Job Requirements

- ✓ **Minimum 4+ years of repair or fitness equipment service experience** (mechanical, electrical, or related field)
- ✓ **Reliable transportation** (Truck, SUV, or Van preferred)
- ✓ **Must live within 25 minutes of Fenton, MO (63026)**
- ✓ **High School Diploma or GED**
- ✓ **Professional appearance & strong communication skills**
- ✓ **Ability to lift 200 lbs & pass an annual PT test**
- ✓ **Must pass a background check & drug test** (CBD/Marijuana prohibited)
- ✓ **Smoke & vape-free workplace**

Work Schedule & Pay

- Full-time employment (30 - 40+ hours per week)
- Monday-Friday (Business Hours)
- Some Saturday & out-of-town work (1-2 trips/month, may increase)
- Eligible for bonuses & promotions after 1 year
- Pay: \$18 - \$26 per hour, based on experience after probationary period
- All hires start as contractors for the first 3 months & 200 hours before being considered for employment

Growth & Advancement Opportunities

Reimagine Resources is more than just a job—we offer career development for those who prove their value.

★ After 1 Year (If You Qualify):

- ✓ **Promotion to Senior Technician (Higher Pay + Leadership Role)**
- ✓ **Instructor Role (Train New Techs & Earn Bonuses)**
- ✓ **Commission Sales Opportunities (Earn More Through Sales & Service Packages)**

◆ Why Work With Reimagine Resources?

- Full-time, stable career opportunity in a growing company
- Leadership and earning potential through performance-based promotions
- Mileage reimbursement, paid training, & team events
- Work with a values-driven, high-performance team
