

REIMAGINE RESOURCES

FITNESS EQUIPMENT MOVER & INSTALLER

The Reimagine Resources Team strives to achieve a professional, driven, yet safe workspace. We are intentional with all people with whom we interact, including the relationship with our team. We are looking for values-driven, detail, and team-oriented individuals to join us. If you love to serve people, work hard, provide professional services, and make an impact within your communities, we invite you to apply to become part of our team. As part of the family, we offer opportunities for personal and professional development in education, industry-competitive compensation, and flexible scheduling.

OUR MISSION:

- Our mission is to make the world a better place by creating a positive impact in the lives of people globally through fitness and fun.

OUR VISION:

- Our vision is to be a leader in the fitness industry and become the global hub for those aspiring for healthier lives.

OUR VALUES:

- We are driven by integrity, courage, and love that results in improving ourselves and the world around us.
- We are innovative problem solvers with transformational solutions backed by data and truth.
- We are generous and responsible stewards of resources.

Position Summary:

As a Fitness Equipment Mover & Installer, this position would be responsible for cleaning fitness equipment, moving equipment, disassembling and installing exercise equipment in residential and commercial spaces. This position ensures cleanliness, safety, and great customer service. This person would also coordinate and communicate all current and potential jobs among the team members and customers. This position plays a critical role in our business by providing quality services and excellence to all our customers and business partners, that empowers them to live a healthy, happy life.

Job Duties and Responsibilities:

We are looking for a **responsible, hardworking, and honest** person to provide white glove customer service for equipment installations, disassembling, and moves.

- Ensures the fitness equipment is clean and safely functioning
- Delivers, installs, and disassembles, and moves fitness equipment
- Tracks capital expenditures and repair expenses
